## AREAS OF EXPERTISE

*Search Engine Optimization*

*Identifying technical solutions*

*Client facing skills*

*Troubleshooting*

*Javascript*

*Bug Fixing*

*Programming*

## PERSONAL SUMMARY

An ambitious problem solver with a passion for Systems Development, and who would like to join a team of like-minded developers.

Denneth has much experience of creating logical and innovative solutions to complex problems. He is thorough and precise in everything he does, and has a keen interest in technology, and user experience. As someone who takes responsibility for his own personal development, he is continually evaluating and upgrading his skills so that he stays at the cutting edge of the IT industry. He is a natural problem solver, who has proven himself by successfully completing projects for Thesis Clients, and Internship company. Right now Denneth is looking for a suitable position with a company where outstanding performance is recognised and where he can work on a variety of high profile projects and tasks.
